Glimpses of Webinar

AICTE webinar on awareness of NEAT Scheme and Internship

AICTE organized the webinar entitled "Awareness of NEAT Scheme and Internship" on 16th June 2021 via online platform Cisco-webex. The programme witnessed a footfall of young researchers, scholars, Professors and students from all across the country. Faculties and students of Gurukula Kangri (Deemed to be University) from various department also joined the webinar and gained knowledge of NEAT and Internship scheme.

The Webinar began with introductory opening remarks and welcome address by organizing team. They introduced the webinar topic and how we can achieve our objective.

The gathering was firstly addressed by Prof. M.P. Poonia, Vice-Chairman, AICTE. In his address, he explored the **"National Education Policy".** He discussed the salient expectation of the NEO-2020. He discussed about low order and high order thinking skill. He briefed about the NEP-New pedagogical & curricular structure on which he mainly focused on industry 4.0: India's future and leadership role, AI, Internship, autonomy, practical knowledge, Assessment, Innovation and critical thinking.

He also discussed about Stanford's –students learning assessment survey that how one can achieve higher gains in both academic and higher order thinking skills

The next speaker Shri Buddha Chandrasekhar, Chief coordinating officer, AICTE gave his lecture on topic **"India –A Land of Opportunities"**. He said that India will be having around 50 crore opportunities by 2024 out of which 10 crore will be direct and 40 crore will be indirect. He said now whole world want to invest in India, we are moving towards employment opportunities. He also discussed on ELIS free courses and E-learning during his talk.

The next speaker Dr. Sandhya Chintala, Executive Director, Executive Director, NASSCOM focused on the internship/employment opportunities in the coming future. She discussed about **AICTE-SSC NASSCOM internship collaboration**. She explained that how internship play an important role to get employment, innovation and improving skill. She also shared the link through which students get internship.

https://internship.aicte-india.org

Salient features of the Webinar:

- Minimum 5 Industrial MOU are Mandatory for every AICTE affiliated Institutions
- Internship is mandatory after 2nd, 3rd and 4th year of engineering degree
- Promote start up practices
- Develop the culture of Internship and Innovation

Vote of thanks was given by Mr. N. Ramesh who provided a fitting closure to the webinar
