

Workshop on Funding for Start ups on November 12, 2019

A workshop was held on 12 November 2019 by Startup cell of FET to aware the students about the various sources of funds required for a Startup. It was addressed by Dr. Trapti Agarwal, a scholar of Prof. Pankaj Madan, Dean, FET. Dr. Trapti had worked under Prof. Madan on financing of start-ups and did an excellent work under his guidance. More than 100 students participated in the event. The key points discussed in the workshop are summarized below.

This session helped the students to know the pro and cons of various sources of finance like angel investors, venture investors, bootstrapping, private equity, seed funding and stages of development of startups. With it how startupindia portal can help to launch the innovative idea in reality and lastly explained the Importance of incubation centre for facing the risk. Following slides are included in the presentation.
