Inauguration of ETES-2013

Inauguration of ISCA- Haridwar Chapter

Prof. V. Arora with ETES - 2013 Team

Prof. Virendra Arora, born on October 10, 1943 was a scholar from Allahabad university, agra university and did his Ph.D. in mathematics from H.N.B. Gharwal University. He joined Gurukul Kangri in year 1965 and worked as registrar from the year 1983 till 1992. Working as reader, professor, head, dean he was involved in research and development though out his carrier. He was one of the best eminent professors in mathematics. His continuous encouragement to the fellow teachers and students led them achieve success and fame. He retired on October 31, 2005. Nabhag the quarterly newsletter was also by his inspiration. We found ourselves in deep grief when he is not with us today but his constant wishes and blessings will inspire us for the whole life.

Editorial

Last three months were very hectic as F.E.T. organized a National Conference ETES-2013, Jnanagni-2013, conducted practical examinations and end semester examinations, placement activities, and Innovator's exhibition by ISCA: Haridwar Chapter.

I congratulate Jnanagni -2013 organizing team for the success of techfest in which around 500 students participated in 32 events. Students participated in these events with full enthusiasm and passion. I am proud of my students as they maintained discipline and decorum in such a beautiful manner which is rarely found in an institution.

I congratulate organizing team of ETES -2013 whose continuous efforts made it big success .In this conference around 200 Research scholars, Academicians and Students participated in oral as well as poster presentations. FET students, teachers and non-teaching staff as well as many staff members from GKV main campus contributed to its success. All of them rise to the occasion and gave personnel touch to this event and as a result, they were appreciated by the dignitaries, academicians and researchers hailing from all over India.

I was deeply saddened by the sudden death of Prof. Virendra Arora. He was such a kind person who will be greatly missed by all who knew him. I will always miss his helpful advice. I remember the time when I joined this University and he was the one who always came forward to support for any new initiative taken by us. I always found Prof. Virendra Arora supporting by his vision, experience & suggestions for making FET a better place.

Next session will start from January 9, 2014 we must ensure that the classes and other activities are strictly as per scheduled programme. My greetings for the new year 2014 to all.

Prof. R. D. Kaushik
Chief Editor

FET Welcomes New Registrar

Prof. Dr. Vinod Kumar is a well known figure in the field of Computer Science. He has an experience of more than 30 years in academics and administration. He has more than 100 publications in international and national journals of repute, He joined Gurukula in 1992 and since than he has been working for its development. FET welcomes on joining him as Registrar of Gurukul Kangri Univeristy, Haridwar.

From Vedas

योगाभ्यास और भू-गर्भ विद्या से प्रयोजनों की सिद्धि

युञ्जानः प्रथमं मनस्तत्त्वाय सविता धियः ।

अग्नेर्ज्योतिर्निचाय्य पृथिव्याऽअध्याभरत् ॥ यजु०११.१ ॥

योगाभ्यास और भूगर्भविद्या के जानने से हृदय की शुद्धि तथा तत्त्वों का ज्ञान प्राप्त होता है, जिसके द्वारा इनके गुण-कर्म तथा स्वभाव को जानकर इन्हें उपयोग में लाया जा सकता है। सूर्य आदि पदार्थों का प्रकाशक परमेश्वर है। अन्त में उसको जानकर और अपने आत्मा में निश्चय करके संसार के प्रयोजनों को सिद्ध किया जा सकता है।

From Archives

गुरुकुल प्रवास के प्रमुख संस्करण बताते हुए शंकराचार्य श्री भारती कृष्णतीर्थ ने स्वयं स्वीकारा था। "गुरुकुल प्रवास के दौरान वह अपनी परम्परागत पूजा करते रहे है" वहीं समय-समय पर गुरुकुल आने वाले मुसलमान भाइयों ने अपनी पांचों वक्त की नमाज बड़े आनन्द के साथ अदा की और इसी प्रकार ईसाई पादरियों को भी अपने उपासना की पूरी छूट थी।

FACULTY NEWS

1. Col (Dr.) Kamal from Army Education Corps. deliver lecture on October 3, 2013.
2. Hon'ble Chancellor Dr. Ram Prakash visited Faculty of Engineering and Technology on October 9, 2013
3. Dr. Murli Manohar Tiwari promoted to Associate Professor.
4. Mr. Suyash Bhardwaj presented a research paper titled "A Novel Technique of Securing Mobile Adhoc Networks Using Shared Trust Model" in International Conference on "Advancements in Computing Sciences, Information Techniques & Emerging Technologies (ACSITET- 2013)" being held at JNU, New Delhi on October 5th & 6th, 2013. The article was published in "International Journal of Information & Computational Technology" Vol. 3, Number 9, 2013 pp.909-916 ISSN – 0974-2239
5. Mechanical Engineering Department organized a National Conference on "Emerging Trends in Engineering & Sciences" on November 9-10, 2013. More than 200 papers were presented and the gathering of eminent professors and researchers made this conference a huge success.
6. Inauguration Ceremony of The Indian Science Congress Association: Haridwar Chapter held at F.E.T. On November 10, 2013.
7. Dr. Mayank Aggarwal published a paper titled " Introduction of Cloud Computing and Survey of Simulation Software for Cloud" in International Research Journal of Science & IT Management, Vol 2, No. 12, Oct, 2013, pp 15-23.ISSN : 2251-1563.
8. ISCA : Haridwar Chapter organized Innovator's exhibition at F.E.T. In this student from DPS Haridwar and FET participated on November 10, 2013.
9. 22 student from final year selected in TCS Limited on November 18, 2013. Out of 22 student Nishant Jha, Yatin Karel, Mahipal Rathore, Shantanu Kumar, Saurabh, Amit Gupta and Akshay Mathur from Department of Computer Science and Engineering, Amit Sagar, Kapil Nebhnani, Prasoon Awasthi, Vaibhav Pandey, Ripu Singh, Manish Kumar, Manish Verma, Saurabh and Shashank Shekhar from Department of Electronic and Communication Engineering, Madhur and Vivek Dwivedi from Department of Electrical Engineering Ankur Gupta, Ankur Chandel, Abhishek Bhatt and Gaurav Satkari from Department of Mechanical Engineering.
10. Faculty of Engineering & Technology celebrated National Communal Harmony Campaign week, under guidance of Prof. R D Kaushik, from November 19 to November 25, 2013.
11. Regional mathematical Olympiad was held in F.E.T. ON December 1, 2013. Olympiad was co-ordinated by Dr. Lokesh Joshi, Asst. Professor, Department of Mathematics .In this test students from Rorkee and Haridwar jone participated. This Olympiad is funded by NBHL in collaboration with Department of Atomic Energy.
12. End Semester Examination started from December 7, 2013.
13. Farewell party given to Mr Meetha Lal Meena by Electrical engineering Department on December 2, 2013 who is joining Engineering Services.
14. Dr. Mayank Aggarwal presented a paper titled "Efficient and Secured Infrastructure Management Using Cloud" presented Uttarakhand Science Congress, Dehradun, December 26-28, 2013.
15. 13 Student from pre final year selected for UES-24, SSB on December 10, 2013.
16. Dr Lokesh Joshi, Dr Ajay Kumar and Dr Devender Singh participated in three week Winter school held at Pt. Ravishankar Shukla University, Raipur, Chhattisgarh.

Mr. Suyash Bhardwaj Releasing "International Journal of Information & Computation Technology" in ACSITEET-2013, at JNU, New Delhi

Mr Kapil Mittal , Asst. Professor , Department of Mechanical Engineering received "2013 Highly Commended Paper Award" from Emerald Literati Network (The TQM Journal) for his Paper "A case study of Six Sigma Methodology in small and Medium -sized manufacturing enterprise." This Journal is published by Emerald Group Publishing Limited, U.K.

Mukesh chand, Assistant Professor, Department of Computer Science and Engineering, presented a paper in the International Conference on Recent Trends in Communication and Computer Networks - ComNet 2013, held during Nov 08-09, 2013; Hyderabad, India. The conference is organised by the Association of Computer Electronics and Electrical Engineers (ACEEE) and sponsored by the Indian Society for Technical Education (ISTE).

ISCA - Haridwar Chapter Inauguration Ceremony

November 10, 2013 became a historical date for Gurukula Kangri University as it became first centre for Indian Science Congress Association, Uttarakhand as well as western U.P. for 31st chapter of Chemistry and Prof. R.D. Kaushik became convener for ISCA Haridwar chapter.

Inauguration ceremony held in F.E.T. and it was graced by eminent speakers from different horizons. Chairperson of Inauguration ceremony Prof. Surendra Kumar, Vice Chancellor, Gurukula Kangri University, Haridwar Congratulated Prof. R. D. Kaushik for his Magnificent effort for adding Haridwar chapter of ISCA to Gurukula Kangri University, Haridwar.

Chief Guest Prof. V.K. Aggarwal Director, NITTR, Bhopal shared his experiences in the field of sciences and Technology and how this Haridwar chapter will bridge the gap between the Uttarakhand and other part of country.

Guest of Honour Prof. A.K. Saxena, Past General Secretary, ISCA and Prof. Mrs. Vijay Lakshmi Saxena, Past General Secretary, ISCA Congratulated and given well wishes to Prof. R.D.Kaushik, Convener, ISCA: Haridwar Chapter.

Past General secretaries of ISCA Prof. H. P. Tiwari, Allahabad University, Prof. S. P. Singh Kurukshetra University, Prof. A. K. Saxena, Kanpur, Prof. Vijay Laxmi Saxena, Kanpur, Share their view and importance of ISCA: Haridwar Chapter for this region.

Inauguration ceremony was attended by Past Sectional Presidents, Prof. Pahup Singh, Jaipur, Prof. S. C. Mathela, Nanital, Prof. V. K. Rastogi, Ghaziabad, and Past Sectional Recorder/ Secretary Prof R. N. Yadav, Sagar.

Prof. R.D.Kaushik, Present Sectional President committed that Haridwar Chapter will add new mile stone in history of Gurukula Kangri University and will deliver best output for ISCA in the field of Research and Innovation.

Dr. Arvind Dixit, Kanpur Present Sectional Recorder/Secretary thanked to people whose effort and trust made this remarkable Change.

ETES - 2013 Feedback

Dear Professor Kaushik

I congratulate you and your entire team of young and energetic engineers and scientists for organizing this mega event in magnificent and splendid way. Your team deserves applause and all appreciations. Academic session was very enchanting and rewarding academically. Arrangement for transportation, food and lodging was meticulously planned and fantastic. This conference was phenomenal. Lastly your modesty, generosity and humbleness sometimes pinch us.

With all wishes

Prof. Pahup Singh

Ex-Sectional President Chemical Sciences, ISCA

Former Prof. & Head, Chemistry Department

University of Rajasthan, Jaipur

Dear Prof. R.D. Kaushik,

Thanks a lot for all possible courtesy and honour to me. Indeed this was the opportunity to know much –much more about your organizing ability and administrative capacity! Wonderful.

In all, this conference was very exciting and scientific content of the first day was much more than your previous conference.

Thanks you once again, and I do hope you will continue guiding scientific community by your activities.

Best Regards.

Vinod Rastogi

Indian Spectroscopy Society

KC 68/ 1, Old Kavinagar, Ghaziabad-201002

Dear Prof. Kaushik ji,

I congratulate you and your team for very successful organization of ETES-2013 National Conference. It was well managed and had good scientific content.

I am personally grateful to you for the warm hospitality.

I thank you again

Kind Regards

Sincerely

Prof. C. S. Mathela

Emeritus Professor Chemistry & Emeritus Scientist (CSIR),

Department of Chemistry, Kumaun University, Nainital, India

Respected Sir.

Congratulation for huge success of ETES-2013.

Thanks with kind regards,

Dr. Harshvardhan Pant

Asst. Professor

P.G. Department of Chemistry

S.G.R.R.(P.G.) College, Pathri Bagh, Dehradun -248001, Uttarakhand

Dear Prof. Kaushik

I thank you for inviting me to deliver an invited talk in the National Conference organized with the aim to bring Science and technology on same plate form. This was one of the outstanding conference where I enjoyed the contents of an international conference. The lectures were really interesting and motivating .I found the large numbers of participants sitting in the lecture hall beyond imagination. It was my fortunate moment to listen the view and enlightening us the richness of our Veda on Science and technology .In fact , I would like to attend such conference in future also. Please don not forget to invite me.

Thank you for organizing such a wonderful conference and inviting me!

Dr. R.K. Soni

*Head, Deptt. of Chemistry
C.C.S. University, Meerut*

Dear Prof. Kaushik

It was indeed , a great pleasue to attend the remarkable National Conference entitled
“Emerging Trend in Engineering & Science (ETES-2013)”held on 9th &10th November 2013.

This conference was organized by the faculty of Engineering& Technology, Gurukul Kangri University , Haridwar, Uttarakhand, India, and has achieved great success in all respect. I feel that Gurukul Kangri University is one of the pillars of India's remarkable cultural heritage.

I greet the University for opening of Indian Science Congress, local chapter at Haridwar, under the charismatic personality and leadership of Honorable Professor (Dr.) R.D.Kaushik . Opening of this new chapter will prove to be a mile stone for the glorious history with forth coming achievements of the University and Uttarakhand . I hope this chapter will reach greater heights and play critical role in meeting the challenges of the society.

Manish Kumar Jha

*Asst. Director/ Scientist E-I
Metal Extraction & Forming Division
National Metallurgical Lab (CSIR), Jamshedpur*

Respected Prof. R.D.Kaushik

First and foremost let me Congratulate you for the successful organization of National Conference ,
I heartily thank you for your kind consideration in accepting my scholars paper presentation during the conference.

They had wonderful academic interaction and could enrich themselves during the conference.

Thanks once again

Dr. Alka Sharma

University of Rajasthan, Jiapur

Farewell to Mr. Meetha Lal Meena, Dept. of Electrical Engineering

Semester Exams in FET

Faculty Development Program

Dr. Lokash Joshi, Dr. Ajay Kumar and Dr. Devendra Singh attended three week Winter School program at Academic staff college Pt. Ravishankar Shukla University , Raipur, Chattisgarh from December 1, 2013 to December 21,2013. Theme of Winter School was "Innovation in Teaching and Research in higher education".

Swami Shraddhanand Balidan Divas

Communal Harmony Week

Faculty of Engineering & technology celebrated National Communal Harmony Campaign week, under guidance of Prof. R D Kaushik, from November 19 to November 25, 2013. This campaign was observed by National Foundation for Communal Harmony (An Autonomous Organization under the ministry of Home Affairs, govt. of India). During this campaign NSS Unit III and IV given the message of peace, harmony and national integration among students of FET. The last day was celebrated as Flag Day of foundation by NSS Unit III and IV. This week was dedicated to raising funds through voluntary contribution for children rendered orphan or destitute in communal, caste, or terrorist violence. In this event students of faculty participated in full swing and collected a fund of Rs. 4738/-. In this voluntary collection program Alok Rai, Utkarsh Chaddha, Arbaz Ali, Vivek chaudhary, Anurag Sahni did appreciable Job.

Google Unknown Weird Services

Typically, when we hear that Google will launch a service that will always be expressed with a surprise, Even if we have a surprised expression, but Google services continue to appear on the Google homepage, let us together to experience these weird Google service!

Google Easter Eggs game

This is an Easter egg hunt game, you have to rely on the level of eye and mouse actions to pick up the eggs. Google will put some eggs on the game screen, you need to play a rabbit jumping around on the screen, trying to put all the eggs into his basket inside.

Very strange things after 3:00 in the morning

You can set the alarm clock to 3:14 am, and then browse your iGoogle page. For the Loch Ness monster, iGoogle often will be some weird stuff, example, 3:14 in the morning, you can see the Northern Lights in the Seasonal Scape; Similarly, you can see the UFO in City Scape; in Spring Scape see monster; Tea House also saw the soul of the fox.

Google's free print services

You only need to press a button, your Gmail messages can all print, classification, packaging, and then packaged print mail delivered to your doorstep. If you skimp paper, this may be a very good choice. Google launched Gmail Paper service on April Fool's Day in 2007.

Google Gulp drinks

In 2005, Google claims has its own tentacles probe into the food industry, announced that it has launched a Google Gulp trial version of drinks. The version of the beverage there are four flavours to choose from, including the type of glutamate, sugar-free and carotene type. It is said that the Gulp invention from a Google vice president of operations, then Google Labs eventually discovered the functional components of the Gulp drink.

Google Earth lets you fly

Google Earth is a free map program, it looks like a flight simulator, and you will experience the feeling of driving F16 fighter. If you want to enter the flight simulator in Google Earth, simply open the program, and hold down the Ctrl + Alt + A on the keyboard.
